Being a nurse means...

You will never be bored
You will always be frustrated
You will be surrounded by challenges
So much to do and so little time

You carry immense responsibility
And very little authority

You will step into people's lives
And you will make a difference
Some will bless you
Some will curse you

You will see people at their worst
And at their best
You will never cease to be amazed
At peoples capacity for
Love, courage, and endurance

You will see life begin ~ and end
You will experience resounding triumphs
And devastating failures

You will cry a lot
You will laugh a lot
You will know what it is to be human ~
And to be humane
