

Insurance Alternatives for Striking MNA Nurses

Please note: You have 60 days after receiving notice or after loss of coverage to inform Allina of your intent to elect COBRA coverage. During that time, it may be beneficial to explore MNSure eligibility to find out if options are available. Also, refer to COBRA information about your right to delay your election of coverage for 60 days.

MNSure (Health Insurance Marketplace) **Loss of Qualifying Health Coverage**

You may qualify for a special enrollment period if you or someone in your household lost qualifying health insurance in the past 60 days OR expect to lose coverage in the next 60 days. For example, employer-sponsored coverage ends. (This includes those who want an alternative to COBRA continuation coverage).

*You may qualify for subsidies based on income, each individual needs to go directly to the website or call the toll-free number to see if they qualify based on income.
