Language for ER-5

Add a new Article 22(G) as follows:

G. In the interest of patient safety, except in the case of an emergency as determined by the Hospital, a nurse may not work double shifts more than two days in a row. For purposes of this section, for a nurse working a 12-hour shift, working an additional four hours (or more) shall constitute a double shift.

Except in the case of an emergency as determined by the Hospital, a nurse may not work more than one hundred (100) hours in a two-week pay period.
