PACKAGE PROPOSAL

The Hospital will withdraw ER-7 on vacation.

The Hospital will withdraw ER-8 on vacation formula or vacation slots.

The Union will withdraw U-24 on vacation insofar as it pertains to vacation formula or vacation slots. However, the parties would agree to modify the relevant portion of Article 31(C) as follows with the rest of this section remaining the same.

*** Registered Nurses have the ability to use one weekend day of vacation for every week of earned vacation. The previous sentence shall not apply to nurses who only work weekends; such nurses may request vacation time on weekends subject to the normal vacation approval process. ***
