

ST. LUKE'S NURSES CONTRACT NEWS

September 25, 2019

Tentative Agreement Ratified

Congratulations, we are pleased to announce you have voted overwhelmingly to ratify the tentative agreement with the hospital.

Back pay will be on the check after the first full pay period, but other parts of the contract, such as the Extra Shift Bonus and the Retention Bonus, may be delayed until details can be worked out and the final contract is signed.

Once again, congratulations! Your hard work and solidarity has made this possible.
