

MNA members bring the fight for safe staffing to the Minnesota State Capitol!

Join fellow MNA members for an upcoming Mini Day on the Hill! For each event, we'll meet at the MNA office in St. Paul to get a training about how our internal organizing skills translates to the legislature and a briefing from our team about the progress of our legislative campaign.

We'll plan out actions and needs for the day, then carpool to the Capitol to put our plan in action. Your day could include meeting with legislators, searching for targeted legislators around the Capitol, or carrying out actions to build pressure to pass laws like the Keeping Nurses at the Bedside Act. You'll also get to help make legislator assessments and plan next steps for the campaign. Your MNA staff will also be on site to provide support.
